Wax Core · Soft Color Polymer · Durable Outer Shell

HP Colorsphere 3 Toner

Rely on consistently glossy, professional-quality results. Specially formulated **HP ColorSphere 3 toner** is precisely tuned to match the powerful performance of your HP printer or MFP.
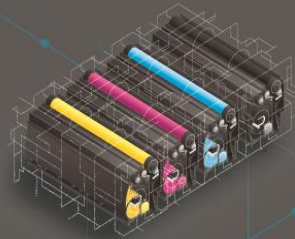

• The **wax core** and **soft polymer** melts at lower temperature for faster and more energy efficient printing—40% faster printing & up to 50% less energy consumption.
• The **hard, durable outer shell** protects the toner particle from breakage and wear for higher page yields.

HP Precision Black Toner

Polymerized Precision Black Toner · Ground Precision Black Toner

Precision black toner helps your business look sharper than ever before by producing crisp, black text and professional-quality graphics.

• **HP Polymerized Precision Black Toner** is used in our smaller HP LaserJet monochrome printers and boasts a low melt wax core surrounded by the black polymer for fast and energy-efficient printing.
• **HP Ground Precision Black Toner** is used in our larger HP LaserJet monochrome printers and features a durable and more circular shape than ever before. The islands of wax in combination with the low-melt polymer deliver even faster, yet energy-efficient, high-yield, professional-quality printing.

Enhanced Cartridge Features

Original HP Toner cartridges with JetIntelligence include four exclusive features—resulting in more efficient, predictable, hassle-free and protected printing.

• **HP Page Maximizer** utilizes smaller, more robust parts to fit even more toner particles inside each cartridge, ultimately resulting in more prints.
• An **intuitive print gauge** constantly tracks toner levels, intelligently predicting cartridge life more precisely than ever before.
• **Auto-seal removal** automatically occurs 'inside' the cartridge allowing for consistent, clean, hassle-free installations.
• **Anti-fraud technology** helps manage costs by identifying and preventing the use of counterfeit or used cartridges.

Sustainability

HP is a **worldwide leader in sustainability** and awarded one of the 2018 Global 100 World's Most Sustainable Companies. Original HP Toner makes no exception and is designed with the environment in mind.

• HP offers free recycling and uses up to **one-third recycled** content in each new Original HP Toner cartridge.
• Original HP Toner cartridges **meet strict ecolabel requirements** for emissions and indoor air quality.

In Conclusion...

Count on Original HP Toner cartridges with JetIntelligence to enable more pages, peak performance and anti-fraud protection—technology unique to HP.
